We believe your new Graco ® Pack 'N Play ® is a wise choice, promising many hours of enjoyment for your baby. Your Pack 'N Play ® may be used as a playard,	
portable crib, bassinet or canopy unit. Customer Satisfaction Our goal is to make every product the best it can be! We are also committed to supporting our product, please contact our Customer Service Department at 1-800-345-4109 or visit our Internet website,	
www.gracobaby.com. Our knowledgeable staff will be ready to answer any questions you may have concerning parts, use, or maintenance. When you call, please have the model and serial numbers ready so your call may be processed quickly and efficiently. Model Nos. 9651 & 9744 Model Nos Serial Nos Dear Customer, Please fill the model and serial numbers above from the label in the center of the bottom of your new Pack 'N Play. A storage pocket has been provided	
them on the bottom panel of your unit. Failure to follow these warnings and the assembly instructions could result in serious injury or death. Setting Up the Pack 'N Play is completely set up before use. Check that the four top ra	ils
are completely latched, the center of the floor is pushed down, and the mattress is flat and secured by the VELCRO ® straps. Always follow the instructions in the owner's manual to set up the Pack 'N Play.! When using a bassinet make sure VELCRO ® patches underneath mattress firmly attach to bassinet mesh.! Before each use, inspect this product for damaged hardware, loose joints, missing parts or sharp edges. Do not use Pack 'N Play if any parts are missing or broken. Call 1-800-345-4109 for replacement parts. Using the Pack 'N Play the Pack 'N Play can be used as a playard, bassinet or sleeping crib. When used as a playard, never	
leave child unattended and always keep child in view. When used as a sleeping crib or bassinet, you must still provide the supervision necessary for the continued safety of your child. ! Do not add padding or other objects inside the Pack 'N Play that will perm	it
your child to climb out. ! Stop using this product when your child reaches 35 inches (89 cm) in height, weighs more than 30 pounds (14 kg), or is able to climb out. ! Do not modify Pack 'N Play or add any attachments that are not listed in the owner's manual, including an add-on bassinet. Using the Bassinet ! Use bassinet with only one child at a time.! Never place a child under the bassinet. ! The bassinet must be fully assembled and installed, including top rails, snaps and bottom pad, before using. ! Discontinue using your bassinet in the Pack 'N Play while in use. Store rails	in
pocket in the bassinet. ! To help prevent heat build-up inside the playard and to avoid overheating your child, when using the bassinet DO NOT use a canopy. Avoiding Suffocation Hazards ! Unlike cribs that have rigid sides, the Pack 'N Play and the bassinet have flexible sides. As a result, the Pack 'N Play mattress is specially designed to prevent	
suffocation. The Pack 'N Play mattress has a solid base, a certain length and width, and is less than one inch thick in order to meet safety standards. Using a thicker or a different sized mattress may allow a child's head to get between mattress and the side of the Pack 'N Play or bassinet causing suffocation. ! To help prevent suffocation from entrapment, USE ONLY THE MATTRESS PROVIDED BY GRACO. Never use additional mattress or padding. ! Never use plastic shipping bags or other plastic film as mattress with the Pack 'N Play. Avoiding Strangulation Hazards! Strings and	
cords can cause strangulation. Keep strings and cords away from child.! Do not place the Pack 'N Play near a window where cords from blinds or drapes can strangle a child. !
